Docking / Decoupling	2	2
Pulp unload	8	8
Contingencies(rain, strong fog, among others)	5.6	5.6
Rio Grande- Pelotas trip	4	
Rio Grande- Guaiba trip		20
Pelotas		
Docking / Decoupling	2	
Wood load	8.1	
Pelotas – Guaiba trip	20	
Guaíba (wood)		
Docking / Decoupling	2	
Wood unload	10.4	
Barge cleaning	4	
TOTAL	96.1	65.6

RIO GRANDE PORT

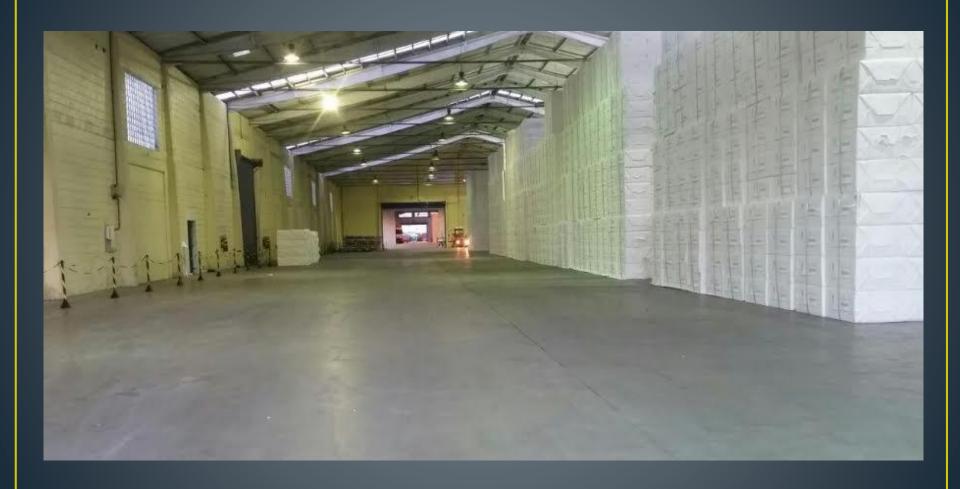

Barge Unloading Operation – Rio Grande

Warehouse in Rio Grande

Breakbulk Vessel Loading Operation Rio Grande

Breakbulk Vessel Loading Operation

Container Loading Dock – Rio Grande

Supply Chain: Our Logistic and Supply Routes

Long term Flexibility 13 Main **Permanent** and quick response DUUCKS in Europe, Asia and contracts +transhipments **Americas** with specialized shipping companies

Guaiba Integration with CMPC Chile

Respect for local cultures and particularities

Integration and alignment of processes and procedures

Forest Area

- Research & Development
- Exchange of Know How

Industrial Activities

- Production processes
- Spare parts management

Maintenance

- Own & Contracted Services

Administrative activities

- Management Systems - SAP

Logistics

- Sharing Vessels
- Overseas Terminals

Commercial

- Guaiba / Santiago 1 commercial area,

Back Office

- Guaiba / Santiago 1 integrated team

Communication:

- Video conference; direct phone connections

Working meetings:

- Involving personel from Guaiba and Chile

People Exchange
